## Healthy Smile Plan

Our **Healthy Smile Plan** will benefit patients without dental insurance. This comprehensive and customized membership program enables patients without dental insurance to comfortably receive the care they need.

With the **Healthy Smile Plan** there are:

- No yearly maximums
- No deductibles
- No claim forms
- No pre-authorization requirements
- No pre-existing condition limitations
- Immediate eligibility and not waiting periods
- No membership cards

The cost of the **Healthy Smile Plan** is \$495.00 per year and \$445.00 per year for each additional family member.

The yearly membership can be paid by credit card in two installments. One payment of \$247.50 is required at your first visit, and a second payment will automatically be processed one month after your visit.

**The annual membership fee will cover all your preventive care.** Should you require additional care, the savings are even greater as members receive a 20% courtesy on most dental services.

### Annual fee includes:

- 2 cleanings
- 2 exams
- 1 set of full mouth radiographs
- 1 set of oral/facial photographs
- 20% off our regular fees for restorative services
- 10% off cosmetic, Invisalign and teeth whitening services

Like most insurance plans, you must use your 2 checkup visits and cleanings within each membership year - any unused benefits will not carry over to the following year.

Our **Healthy Smile Plan** is not a dental insurance and can only be used at Dr. Akhavan's dental practice.
